## General Conditions

- By application, issuance and operation of this permit, permittee acknowledges the item transported shall be reduced to the smallest dimensions possible as defined in the Virginia Size, Weight & Equipment Requirements Manual under 'Non-divisible load' and carrying multiple items cannot create an over dimensional or overweight situation.

This permit shall be carried in the vehicle moving under its authority and shall be open for inspection by any state, county, or local law enforcement official, or other public official, or to any person involved in an accident in which the vehicle played a part. Report all accidents to the DMV Hauling Permit Office at 804-786-2787 within 15 days of the accident.
- Issuance of this permit by DMV does not imply nor guarantee the clearance of width or height along permitted route of travel. The permittee is responsible to check routes of travel prior to traveling to ensure safe movement and to protect the rights of the traveling public. Travel alerts, including construction and other restrictions, can be found at [www.511virginia.org](http://www.511virginia.org) and [www.virginiadot.org/travel/travel\\_alerts/default.asp](http://www.virginiadot.org/travel/travel_alerts/default.asp). Oversize loads passing through restricted work zones may be subject to penalties.
- Permittee must obtain permission and make arrangements with the owners thereof to move overhead wires, cables, signal or traffic lights, tree limbs, or other structures prior to move.

This document does not give the permittee the authority to move over highways or bridges under the jurisdiction of another county or municipality, nor over railroads or railways except to cross such highways, bridges, railroads, or railways after making appropriate arrangements and securing the proper documents from the responsible authorities. This permit does not authorize the permittee to use or damage private property in any circumstance. The Permittee shall comply with all rules posted on any bridge or road traversed. The permittee is responsible for obtaining permission from property owners to layover at any time on private property.
- Travel is not authorized on any Virginia Byway route except when explicitly outlined in the route details or when the pick-up or delivery point is located on the Virginia Byway route.
- Permittee is responsible for the cost of any traffic control provided by VDOT or other state or local agency as well as any damages caused directly or indirectly to any road surface, bridge, or other structure.
- By moving under the authority of this permit the permittee agrees to abide by all terms, conditions, and restrictions as specified.
- Load is not allowed to move when travel conditions are unsafe. Law enforcement determination shall prevail without exception. To inquire about local road conditions due to inclement weather, please call 1-800-367-ROAD.
- All vehicle headlights and steady burning exterior lights to be turned ON!
- Traffic shall not be detained for more than 10 min. Note: The permittee is responsible for contacting local law enforcement two hours in advance for assistance with traffic control when traffic may be detained for more than 10 minutes within the corporate limits of a city or town
- Holiday Travel Restrictions - Permit is not valid from 12 Noon on the preceding weekday, through the following holidays: New Years Day, Memorial Day, Independence Day, Labor Day, Thanksgiving Day, Christmas Day. Note: if the observed holiday falls on Monday, the permit will not be valid from 12 noon on the preceding Fri thru Mon., Except permits authorized to travel 24 hours a day, 7 days a week.
- All loads must yield to emergency vehicles.
- Driver shall IMMEDIATELY contact rail authority if the load delays on a railroad track. Contact number for CSX: 1-800-232-0144. Contact number for Norfolk Southern: 1-800-453-2530.
- All loads shall be securely fastened to prevent shifting loads or falling from transport vehicle in accordance with 49 CFR, Part 393, Subpart I.
- Notwithstanding the restrictions specified in this permit, the holder shall be covered by the standards governing tolerances found in Title 46.2 of the Code of Virginia.
- Permit issued in accordance to sections 46.2- 1139, 46.2-652, and 46.2-653 of the Code of Virginia and the Virginia Hauling Permit Manual.
- No convoys allowed. A distance of 2000 feet or more must be maintained between permitted movements. The only exception will be for military movements using military vehicles.
